

Richard Garriott
@RichardGarriott

A line invented by my brother Robert Garriott. His most creative brilliant moment in Origin history. It was perfect!

seems to me in Garriott's home there were many brilliant moments..... :)

Richard Garriott @RichardGarriott · 1 dic. 2020

Robert did invent that line. We all immediately loved it. We regularly scoffed at his creative input. We have teased him ever since that this was he shining moment. His brilliance was usually well outside of products and marketing. But he nailed this!

Enrico Ricciardi @EnricORicciardi · 1 dic. 2020

ok, now I want a white label from you with handwritten :
Others writes software....We create Worlds....I created Akalabeth !
